Music Students Take Centre Stage at Winter Concert

Petrina Mansfield

The Tallangatta Secondary College Winter Concert, held on Tuesday 13th June, proved to be a memorable evening filled with outstanding performances by the talented students. Teachers Rhys McKee, Kristy Neville, Katherine Lanigan and Bob Haanstra undoubtedly felt a true sense of accomplishment as they witnessed their students successfully present the culmination of six months of dedicated practice and effort. From breathtaking solos to harmonious ensemble performances, the event showcased the exceptional musical abilities of these young performers.

The Performing Arts Centre (PAC) at the high school was buzzing with excitement as dozens of parents eagerly gathered to witness their children's musical talents. The stage was set for an unforgettable evening of entertainment and celebration. The Winter Concert proved to be a platform for students to display their hard work and passion for music, and it did not disappoint.

Among the talented students was Haydon Fisher, a 15-year-old music student whose piano skills left the audience in awe. Haydon expressed his love for music, describing piano practice as a form of decompression at the end of each day. "It's a great way to unwind," he said, emphasising the therapeutic benefits of his musical pursuits. Haydon's dedication and talent made him a standout performer, earning him well-deserved applause from the audience.

Teachers Rhys McKee, Kristy Neville, Katherine Lanigan, and Bob Haanstra played a crucial role in nurturing the students' musical abilities and guiding them towards this moment of triumph. Seeing their students flourish on stage, after months of hard work and dedication, undoubtedly filled them with immense

"When Local Knowledge Really Counts"

Music Students Take Centre Stage at Winter Concert continued...

pride and satisfaction. Their unwavering support and guidance helped shape the students into the accomplished performers they had become.

Research suggests that individuals who engage in playing musical instruments tend to demonstrate enhanced cognitive abilities. Learning to play an instrument involves coordination, memory, and problem-solving, which can contribute to improved academic performance and overall intelligence.

The Winter Concert at Tallangatta Secondary College was a testament to the diverse range of musical talent within the student body. The event featured an array of performances, including saxophone and clarinet solos, rock bands, and choral ensembles. Each act brought a unique flavour and captivated the audience with their skilful execution. The evening was not only a source of pride for the performers but also a source of joy for the teachers who had dedicated themselves to cultivating these talents.

The Winter Concert was more than just a showcase of musical abilities; it was a celebration of the students' achievements, hard work, and determination. The proud parents and surprised siblings in the audience added to the atmosphere of joy and support, giving the performers the recognition they deserved. The event served as a reminder of the importance of fostering creativity and providing platforms for young artists to express themselves.

PUBLIC NOTICE

Notification by Buyer – Intention to apply for the permanent transfer of a Licence to Take and Use Groundwater

GMW Reference No: BGW0162-23

We Justin & Alice Colclough

Of 2517 Yabba Rd Tallangatta South Vic 3701

Refer to Vic Roads Map 36 F8

Intend to make application for a new Licence to Take & Use Groundwater and permanently transfer entitlement volume of 200.0ML/Year.

The Volume sought in this application is 200.0ML\Year

We intend to extract groundwater from an existing bore.

The water will be used for the purpose of: Irrigation

To be used on land described as:

Scrabble Babble!

We have welcomed a new player to our Scrabble group. Jacinta Busseau has joined our ranks and has proven to be a very handy player. Not only that, but she is happy to read the board upside down! On Friday, 9th of June we had a late start due to a Senior Citizens committee meeting, but still managed two full games with two tables of three players each.

The tip this week is about way to visualise words on your rack and looking at opportunities to add to words that have already been played.

Weekly Tip No. 5
Rearrange Your Tiles for Visual Cues

Notice the common prefixes and suffixes on your tiles and rearrange them. This will give you visual cues you may not have noticed before while searching the board for your next move. You may get a word with a huge score just by adding -ED, -ES, OR, after a word or DIS-, AUTO-, IM-, IN before a word that is already on the board. This is a great way to extend a word that already exists on the board. It also gives you more jumping-off points and inspiration for new words, too.

This weeks' puzzler: What 7-letter word can you make from these letters?

T D T L I F E

On table 1, Danny, Jacinta and Elaine battled out a close first game, with Jacinta and Elaine tied for second place, only 19 points behind Danny. On table 2, Nancy grabbed the first game by seven points. Danny had a very handy win in the second game on table 1 and Dianne edged nancy by four points on table 2.

On the 16th of June we had a group of four and we then joined with the return of Jenni. Danny had a good Friday though in Jenni's first game back he and Jenni tied for the win on 134 points after Elaine went out. Jenni had led by a point but had to deduct two points from her score and Danny only had to deduct one. The next two games were wins for Danny with one play scoring in the 80s with the 8-letter word 'filtered' being played for a handy lead.

The answer to the puzzler above is "Flitted'

Come join us every Friday at 1.30pm at the Senior Citizens Rooms and exercise your brain until 4pm or whenever you decide to leave. You don't have to be a senior citizen to partake in the fun. New players are always welcome.

By the Babbling Scrabbler
(name supplied upon request)

Senior Citizens News

We extend our loving Sympathy to our treasurer Jenni on the passing of her husband Norm.

The coverage of his passing was well said by the Herald (last issue) – Norm was a Community man and connected with everyone and will be sadly missed.

We will also miss the visits from Bev who passed away too. Bev used to pop-in from the HUB next door, of a Friday when we were playing Scrabble, just to see how we were going and who was winning – Farewell both of you.

We plan to have a "Dutch Auction" and afternoon tea on Wednesday July 26th in our room. Mark this date on your calendar and come along to this social afternoon at 1:30pm.

There are a few Seniors getting around town using those kerb walkways with the rubber 'dots' – these can be slippery when wet and covered with leaves, take care-

The next general meeting is August 11th. If you took an interest in our Seniors and attended meetings these notes would not be needed to advise you of our events, so please attend.

Winter is with us, stay warm and well as COVID has caught up with some of you; which is no picnic, so take care.

-Elaine

COFFEE BREAK PUZZLES

Answers will be provided in the next edition of the paper

Riddle Me This

1) What five-letter word has one left when two letters are removed?

2) I am a box that holds keys without locks, yet they can unlock your soul. What am I?

3) What has one head, one foot, and four legs?

4) What gets smaller every time it takes a bath?

5) What do you throw out when you want to use it but take in when you don't want to use it?

6) Four cars come to a four-way stop, each coming from a different direction. They can't decide who got there first, so they all go forward at the same time. All 4 cars go, but none crash into each other. How is this possible?

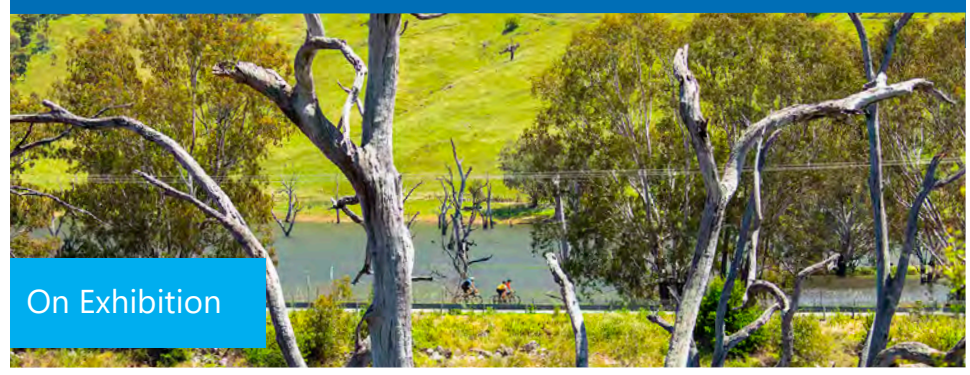
Draft Budget 2023-24



Our draft Budget 2023/24 was endorsed at the Special Council Meeting on 7 June and is now on public exhibition.

The draft budget includes a $1.8 million investment in our local road network and a capital program of $27.8 million including:

- continuation of Stage 2 of the Great River Road project
- the Corryong CBD upgrade and the Corryong Heavy Vehicle Bypass
- the Dartmouth Splash Park and Pump Track
- continued development of our walking trails across Bellbridge, Walwa and Corryong.
- the Mitta Mitta Streetscape upgrades

The Budget proposes a rate increase of 3.5% for 2023/24, which is in line with the cap set by the State government under the Fair Go Rates System.

The kerbside collection charge will increase by 25% due to increases in waste transportation and processing costs together with the introduction of an organics kerbside collection service early in 2024. The additional service is a requirement of the State Government's Circular Economy Policy. There will be no increase to the Waste Facilities Management charge in 2023/24.

Council has increased the discount for rural properties in response to the significant increase in rural property valuations determined by the Valuer-General Victoria.

To view the draft Budget 2023/24 visit: tinyurl.com/towong-budget

Have your say by making a submission to the Chief Executive Officer via:

- Email submissions@towong.vic.gov.au
- Mail to PO Box 55, Tallangatta Victoria 3700
- Deliver to the Corryong or Tallangatta Council Office

Submissions must be received by 5pm Tuesday 27 June 2023.

Embracing the Winter Solstice: A Celebration of Light, Connection, and Australian Traditions.

Petrina Mansfield

As the air grows crisp and the days shorten, communities around Australia gather to celebrate the Winter Solstice, an ancient and cherished tradition that marks the longest night and the rebirth of light. Originating from diverse cultures and steeped in symbolism, the Winter Solstice is a time of reflection, renewal, and communal connection. In Australia, where the seasons are reversed, the traditions have found new meaning, blending ancient customs with the unique spirit of the Southern Hemisphere.

The Winter Solstice, also known as Yule, has roots in various cultures throughout history. From the ancient Egyptians who celebrated the rebirth of the sun god Ra, to the Romans who marked the festival of Saturnalia, and the Scandinavian pagans who honoured the return of the sun, this celestial event has always held a special place in human hearts.

In many regions, the Winter Solstice is celebrated with rituals and ceremonies that centre around the themes of light and rebirth. Bonfires are lit to symbolise the power of the returning sun, while candles and lanterns illuminate the darkness. People come together to share stories, music and dance, fostering a sense of unity and resilience during the cold months.

While the Winter Solstice is celebrated globally, some regions have specific customs that have been passed down through generations. In Northern Europe, the tradition of decorating evergreen trees with lights and ornaments predates Christianity and has become synonymous with Christmas. In China, the Dongzhi Festival, which falls on or around the Winter Solstice, is marked by family gatherings and the consumption of tangyuan, sweet glutinous rice balls symbolising togetherness.

Above: Friends gather to celebrate the Winter Solstice just outside Tallangatta on Saturday Night.

Above: Friends gather for the lighting of the bonfire to celebrate the shortest day of the year.

In the Southern Hemisphere, where the Winter Solstice falls in June, Australian communities have embraced the traditions of the Northern Hemisphere while infusing them with their unique customs. Embracing the colder months, Australians have adapted the concept of gathering together during the Winter Solstice to help stave off loneliness and foster a sense of community.

In cities and towns across Australia, Winter Solstice festivals have become increasingly popular, drawing people out of their homes and into the warmth of shared experiences. From Melbourne's vibrant and multicultural Winter Solstice Celebration to the mesmerizing Solstice Lantern Walks in Hobart, these events bring together people of all ages and backgrounds.

Australian customs during the Winter Solstice often reflect the nation's love for the outdoors. Beach bonfires, illuminated coastal walks, and camping under the starry sky have become popular ways to commemorate the solstice. Many communities also organise feasts where people share hearty meals and exchange stories, nurturing connections and a sense of belonging.

The benefits of gathering together during the cold months extend beyond the festivities themselves. As the Winter Solstice encourages communal engagement, it plays a vital role in combating loneliness, a prevalent issue during the colder seasons. Coming together in celebration fosters a sense of belonging and support, providing comfort during what can be an isolating time for many.

Moreover, the Winter Solstice offers an opportunity for self-reflection and personal growth. Just as the sun's return heralds the promise of longer days, the solstice invites individuals to contemplate their own journey and set intentions for the future. The introspective atmosphere of this celestial event allows for contemplation, renewal, and a reconnection with nature's cycles.

In an era of increasing digital distractions and fast-paced lives, the Winter Solstice serves as a reminder of our shared humanity and the importance of slowing down to appreciate the wonders of the natural world. By embracing this ancient tradition and infusing it with Australian customs, communities across the country are rediscovering the power of gathering, connection and resilience in the face of darkness.

As the Winter Solstice approaches, let us come together, light the way and celebrate the rebirth of light, both within ourselves and our communities. In doing so, we will not only keep the cold at bay but also nurture a sense of togetherness that will warm our hearts throughout the year.

Winter Solstice: 22nd June.

Event Hire Equipment

Attention all community groups!

We're excited to announce that we have a range of event equipment available for ownership and management by a dedicated community group.

If you're passionate about organising events and want to take charge of valuable resources such as a sound system, large cinema screens, popcorn machine, stage, or gazebos, we encourage you to submit an expression of interest.

As the chosen community group, you will have the privilege of owning the equipment while ensuring its availability for other groups to hire.

To express your interest, please complete a survey at:
tinyurl.com/equipment-hire-survey and submit before 5pm Friday 7 July 2023.

It may take us some time to find appropriate homes for all the equipment, however rest assured that it is still available for community use.

If you are interested in using the equipment at no charge for a community led event, please contact us on 1300 365 222 or ecodev@towong.vic.gov.au and we will happily assist you with hiring arrangements.

HEALTH

Tallangatta Health Service News

COVID-19

A recent COVID-19 outbreak in Bolga Court has resolved and we thank residents and family members for their patience in managing restrictions at that time.

Visiting Requirements

- Visiting hours are between **12.30pm and 4.30pm** with no restrictions on numbers or age limits
- Anyone who has tested positive or been in close contact in the last 7 days for COVID-19 should not enter the facility
- Please wear a surgical or N95 mask
- You will be asked if you are free of COVID-19 symptoms
- You will need to have a negative Rapid Antigen Test conducted on the day either at our reception or can be at home prior to arrival (evidence is required). We have Rapid Antigen Tests available for you to use at home.

Activity Groups

Tallangatta Health Service run activity programs for those who are eligible. If you don't already attend, but are interested in attending a group outing, you can contact My Aged Care for a referral on 1800 200 422 or call our MCHC (My Community and Home Care) on 02 6071 5238 to discuss.

Vaccinations

There are several providers across North East Victoria (Medical Clinics and Pharmacies) offering COVID19 vaccinations: https://www.murrayphn.org.au/vaccination_ne/

The Tallangatta Medical Centre is offering flu vaccinations by appointment. Please phone 6071 5270.

Stay Well This Winter

This winter, we know what to do to stay well.

The good news is, getting your flu shot, and staying up-to-date with your COVID-19 vaccinations, will help you, and the people around you, stay well. Along with simple things like staying home if you're unwell, these routine winter vaccinations can protect what's most important to you.

Getting your flu shot is the most effective way to stay protected from flu this winter.

The flu shot is free for:

- people aged 65 and over
- people who are pregnant
- Aboriginal and Torres Strait Islander people aged 6 months and older, and
- people with medical conditions that put them at increased risk of severe flu.

Stay home if you're unwell, and if you're worried about your symptoms, speak to your doctor.

Active Living Groups

The Allied Health Team at Tallangatta Health Service run regular exercise groups. All ages are welcome, no referral needed.

Weekly sessions are held at the Tallangatta Health Service gym:

- Strength & Balance Session: Monday 9 - 10am, Thursday 9 - 10am
- Seated Exercise and Balance Session: Wednesday 10 - 11am

A gentle exercise session is held at the Tallangatta Memorial Hall:

- Osteoarthritis Exercise Group: Wednesday 10.30 – 11.30am

Tallangatta Wanderers Walking Group meet every Monday at the Tallangatta Memorial Hall:

- 45-minute walk 8am to 8.45am
- 30-minute walk 9am to 9.30am

NOTE: You must be able to walk independently for the duration of the walk.

Register your interest by contacting Tallangatta Health Service on 02 6071 5210 or just come along and join.

SCHOOLS

Tallangatta Secondary College

SSV Hume Region Cross Country Benalla

Matt Buckland

FOUR Tallangatta Secondary College students have recorded top twelve placing to qualify for the School Sport Victoria State Cross Country Championships July 13th at the Yarra Valley Racing Club, near Healesville. Congratulations to Gracie, Ruby, Baxter, and Charlotte. The course was wet underfoot in the grassy sections, muddy in other areas and fast packed gravel for the rest. The sky was a deep and endless blue, beautiful conditions for a hard run. The whole team of eleven students raced extremely well.

Each member had a set a goal for the meet, which was either achieving a personal best time, pacing, or racing strategy. A strength of the TSC runners was the finishing straight, where on more than one occasion a gut-wrenching sprint led to an overtaking maneuverer just before the line.

It is important to acknowledge that Grace Macauley and Amy Moyle were only around 35 seconds from 12th position, an excellent performance. Best of luck to all the State Championships runners and may the ones who missed out use the experience towards success in 2024.

FOOTBALL

Round 8 v Barnawartha

THE Hoppers were at home for the second week in a row to host Barnawartha on a fine winters day. Results were mixed but the Seniors delivered the goods convincingly and in another significant victory the U14s broke through for their first win in a long time – well done boys.

Seniors:

Tallangatta 16.9.105 defeated Barnawartha 5.7.37

It was a big build up to this game, a lot of outside noise about Kaine not playing and it being an early elimination final. So it was really pleasing that our young group stood up and put together a strong performance when a lot of outsiders were writing us off.

Things didn't go to plan early, with Barny opening up a 3 goal lead within the first 10 minutes. After quarter time we were able to get on top in all areas. Sam Cannon was brilliant in the ruck again. Joel O'Connell and BJ Maddock stepped up massively with the game on the line, crashing into bodies and hitting the scoreboard.

Adam Healy and Luke Fraser combined for 9 goals and looked dangerous all day both in the air and on the ground. Our back 6 allowed only 5 goals for the day and 1 after quarter time which is a massive effort against an in form team.

Our young crop of players are getting better each week, there was a really even contribution with the best players giving the coaching group big headaches. A good problem to have!

Looking forward to the big challenge of Chiltern away this week.

Best Players: Adam Healy, Brenton Maddock, Joel O'Connell, Luke Fraser, Joel O'Connell, Samuel Cannon, Cameron Sheather

Goal Kickers: Adam Healy 5, Luke Fraser 4, Brenton Maddock 3, Joel O'Connell 2, Harley Middleton 1, Brodee Windham 1

Reserves:

Tallangatta 3.6.24 lost to Barnawartha 20.16.136

The boys have taken confidence from their win against Wahgunyah. Unfortunately the scoreboard on the day against Barny didn't reflect how this group played and the hard work that they put in.

The boys should hold their heads high going into next week against Chiltern.

Best Players: Mitch Pieper, Riley Smith, Liam Bertram, Dylan Drummond, Austin Drummond, Milton Fulford.

Goal Kickers: Ethan Thornton 2

Under 17s:

Tallangatta 2.3.15 lost to Barnawartha 17.13.115

The boys didn't quite measure up to the slick Barny outfit and although we fought hard all day they proved too strong in the end.

Super effort from Gus Lord and Beau Nicklin to repeatedly repel the ball out of defence and through the midfield. Need to dust ourselves off and get to training this week.

All the best to Jimmy Mansfield with his thumb, he will be missed in the side.

Best Players: Angus Lord, Beau Nicklin, J Carberry, Jayden Scholz, Brayden Blundell, Alex Coulston

Goals: Jayden Scholz 1, J Carberry 1

Under 14s:

Tallangatta 11.7.73 defeated Barnawartha 3.3.21

With a great early effort and repeated work rate the boys gained ascendency and then hit the scoreboard often to post a well deserved win. Great effort from all team members to post their first win in two years.

A thrilling result for our group.

Best Players: Rafi McFarland, Angus Avery, Pascal Moran, Nate Sheather, Bradley Zeinert, Ryder McGrath

Goals: Angus Avery 3, Brady Butler 3, Nate Sheather 2, Hayden Mongan 1, Lachlan McKimmie 1, Ryder McGrath 1

Under 12s:

No game

The Happy Hopper

FOOTBALL

Round 9 v Chiltern

The Hoppers travelled down the freeway to the big ground at Chiltern. Unfortunately it was the home teams day with the Hoppers going down in all grades despite their good efforts.

Seniors:

Tallangatta 4.3.27 lost to Chiltern 13.9.87

It was a tough day at the office for the Hopper boys against the reigning premiers. There was promise in our first quarter effort. Pressure levels were high and we were able to keep their scoring to a minimum.

Chiltern got on top in the next two quarters and our back 6 were put under a huge amount of pressure. They held up again and they should be proud of their efforts. Mitch Seaton was a clear best on ground and Ethan Riddington did a great job on Mark Doolan.

Sean Barran played another great game off half back and he was provided good support from Cam Sheather. Sam Cannon held his own in the ruck against a quality opponent and his growth over the last few weeks has been impressive.

Unfortunately, we didn't have enough contributors over the day, hopefully our young group can take away some key learnings from the game to implement in upcoming games.

Best Players: Mitch Seaton, Sean Barron, Ethan Riddington, Sam Cannon, Joel O'Connell, Cameron Sheather

Goal Kickers: Adam Healy 1, Sam Cannon 1, Joel O'Connell 1

Reserves:

Tallangatta 1.0.6 lost to Chiltern 27.20.182

Very tough lead up to the game this week with a lot of players unavailable again.

This meant that a few of the Chiltern boys came across to help us out which was much appreciated and a testament to the Chiltern Club.

Our boys fought it out well once again and still held their heads high at the end of the game.

Best Players: Jordan Barton, Kaleb Rienerts, Luke McDonald, Tyler Willis, Liam Bertram

Under 17s:

Tallangatta 1.0.6 lost to Chiltern 26.15.165

Another hard day on the field against Chiltern for our Thirds team. They battled hard all day and to their credit finally got that elusive goal in the last quarter.

Well done to the fourths that came up to help and to the Kiewa crew as well.

Keep training hard and the rewards will come.

Best Players: Archie Ross, Chad Ried, Angus Lord, William Kirk, Alex Coulston

Goals: Callum Withers

Under 14s:

Tallangatta 3.3.21 lost to Chiltern 6.9.45

A valiant effort by the boys against a renewed opposition.

An outstanding individual effort by Rafi, well supported by the backline and a strong burst in the third quarter.

The team showed some character when tested and we will continue to look after each other and progress with our efforts.

Best Players: Rafi McFarland, Zak Moyle, Callum Mulquiney, Liam Powles, Thomas Pole, Macauley Sexton

Goals: Angus Avery, Brady Butler, Isaac Field

Under 12s:

A great showing from the boys against Chiltern this week given we were fairly light on with illness and the long weekend.

We took the game to them and played an expansive, attractive brand of footy which allowed us to kick early goals.

The pocket rockets Joey and Brax were outstanding, Max was huge in the first half and Will showed more facets to his solid game.

Luke, Beau, Dillon and Harry are all battling hard for increased possessions which is a brilliant sign.

Best Players: Xavier, Max, Joey, Will, Big D, Finn and Brax

NETBALL

Round 8 v Barnawartha

11 & Under/Development

Fantastic game by the girls and a great display of foot work and finding space. Elle Bryant did amazingly in goals and Ivy Mulquiney displayed confidence in all positions played. The girls are really coming together as a team.

13 & Under

An outstanding game by our girls! They were confident, tenacious and persistent and gave their everything! They took the win by 22 points and were so proud of their efforts. It was a beautiful game to watch! *Best on:* - Grace Shirley, Amelia Hanley and Piper Bosse.

15 & Under

A strong all round team performance gave us an excellent win today. After a slow start we hit our straps, found space, passed the ball better and worked hard all game. Plenty to improve on as we aim to get better each week. Hope to have our full side available soon, for the first time all season. Awards went to Lucy Williams, Jemma Dodd, Lara Fryer & India Butler.

17 & Under

We looked forward to meeting the strong Barnawartha side, who were currently sitting just 1 behind us in 3rd place on the ladder. In a pretty much goal for goal 1st quarter, we went to the break 1 goal down. With warm conditions we were quick to rotate fresh legs through the middle, with Tess Paton coming on providing the spark we needed with her quick pace and matching quick releases provided a much-needed boost to the side. A very strong second quarter (17 to 4 goals), gave us a handy lead as Barny gave everything to close that margin. They managed to close it a little, final score was Tallangatta 42 to Barny 33. Zoe McKimmie had a great game in C and WA, awarded as one of our best, alongside our very talented defender Cass Heaphy, again in our best.

C Grade

Unfortunately, we lost the game in the third quarter but had kept with Barnawartha until half time, which was a pretty good effort; now all we have to do is work on that consistency. We are improving every single game and I'm excited to see what we can bring for the rest of the season. Best on went to Kim Mathieson. What a fireball! She goes onto the court and tries 110%, doesn't drop her head and gives it her absolute all no matter what. Next best was Ciann Sheather whose effort was amazing. The direction she and Kim gave the shooting end was admirable. Well done to everyone.

B Grade

A tough game that went down to the last quarter. We had to fight for the ball on every pass and kept our heads under pressure. We took the win in the end and I'm very proud of how the girls came together as a team and played their hearts out! Best on were Kath Fryer and Amy Paton!

A Grade

The weather turned it on this week and the girls embraced it being a bit warmer. They came out firing and worked together as a team. The composure the whole way down the court was amazing and they stuck together through the four quarters. Well done girls! Best on went to Hannah Dwyer, Lilly McGrath and Renee Page.

Round 9 v Chiltern

11 & Under/Development

What a nail-biting game! The girls held their heads high and worked tirelessly together to make magic happen! Bridget Sayers was incredible in defence and Imogen Tyrell was the glue for the team, playing well in centre. All girls played such important roles against such a talented team and pushed through to snap the win.

13 & Under

A difficult game that challenged and pushed us. We couldn't quite get on top but kept fighting until the end! We will work hard at training and work on our decision making and patience driving onto the ball. *Best on:* - Eliza Bloye, Gracie Brown and Cecilia Paton.

15 & Under

The team couldn't quite get over the line in this week's game going down by 4. We drew level in the last quarter but just missed a few opportunities. A slow 1st quarter didn't help but the team dug deep and played so well and never gave up. Awards went to Sophie Mason and Lara Fryer, but again they could have gone to anyone as all played well. We will keep working hard at training and bounce back this week. Very proud of the team and the growth we are showing.

17 & Under

A mixture of excitement and nerves took us into this game as we faced the ladder leaders. Some nerves and solid defensive pressure by the Swans saw us miss our first goal to answer theirs, resulting in a Swans conversion. They had the next centre pass that unfortunately meant straight to a 3 - 0 chase. From there, it went goal for goal until the first break, unable to break back saw the score 10 to 7 as Chiltern held their lead. Despite our efforts, we struggled to find any rhythm in quarters 2 and 3, as we endured a physical, high-class game. Our team is bolstered by some extremely young players who will only grow from the experience presented through this game. The determination to continue to try and never give up, from every individual, was extremely rewarding from a coach's point of view. The efforts boosted again in the last quarter, as our beautifully presented structures were executed, overcoming the Swans with a dominant 12 goals to 6, to win that final quarter!! Cass Heaphy, again, constantly strong for us, was complemented in this game by Ella Grzeschka who was awarded for her efforts against a very handy little Swans GS. Tess Paton also awarded for efforts as she demonstrated her ability to match a very experienced mid court player and attackingly was vital in her precise, quick released feeds. Zoe McKimmie found herself in the best again for not only her work rate as an attack, but her efforts when defending. *Chiltern 42 Tallangatta 29.*

C Grade

Unfortunately, we didn't come away with the win today. We definitely put in some extreme intensity but couldn't quite keep it up for the entire four quarters. Just need to work on that consistency going forward. Well done girls, it was a tough game. Best on: - Meredith Butler and Ashley Nankervis.

B Grade

A hard game that pushed us to our limits and tested us as a team, but we held onto the lead and pushed out to win by 15 in the end. So proud of our second efforts and defensive pressure through the middle and into the goals! *Best on*: - Jess Ross and Olivia Lamb for their intensity and tenacity.

A Grade

Composure was the focus for the girls going into the game this week. We knew we were in for a tough game against Chiltern so came ready to play and played a solid four quarters of netball. Our goalers put on a show; moved and shot amazingly! The defenders put up a big fight and, to their credit, got a few turnovers in the ring. *Best on:* - Renee Page, Hannah Pole and Lydia Wortmann.

Tallangatta Park Run

Recipe: Event #8 (17/06/23) - Yields – A Memorable Event

Recipe created by Deborah Robinson (Event Director)

Ingredients

- 28 participants
- 12 first timers to Tallangatta
- 2 personal bests • 8 volunteers
- A sprinkling of travellers

Instructions

1. Prior to 7.50, have the course checked and cones out. Turn around marshal (Jacinta) to make her way to the turnaround cone. Setup flags, table, and tokens.

2. Gather 4 first timers to parkrun and 8 travellers with 16 seasoned participants for a mix of freshness and experience.

3. Ring the cow bell and allow the eager participants to simmer on course for the next 20-60 minutes

4. Recognise the achievements of 2 participants (Dianne Ajani - 6 seconds, Cindy Pickering – 31 seconds) who set new Personal Bests for the course.

5. Acknowledge and appreciate the 8 volunteers who made the event possible:

- Deborah Robinson
- Roger Millet
- Maria Tams
- Jacinta Marriott
- Stephen Liston
- Petrina Mansfield
- Stephanie Gay
- Kim Roebuck

6. Visit the Tallangatta Station parkrun Results Page (https://www.parkrun.com.au/tallangattastation/results/latestresults/) for today's full results and event history.

7. Visit the Volunteer Page (https://www.parkrun.com.au/tallangattastation/futureroster/) and Email Tallangatta Station parkrun to add your name to the roster.

8. Celebrate the journey of Tallangatta Station parkun, starting on 29th April 2023:

- 214 participants completed 356 parkruns, covering a total distance of 1,780 km.
- 60 new Personal Bests reflect individual progress and determination.
- 44 volunteers contributed 68 times, showcasing the spirit of community.

9. Serve the foggy morning parkrun experience with adventure, camaraderie, and the satisfaction of overcoming challenges with like minded people. Enjoy the shared memories and the bond within the Tallangatta Station parkrun community.
